

PARENTAL CONSENT FORM

Dear Parent/Legal Guardian:

Your child has been invited to participate in an age-appropriate, physical and intellectual summer camp that will be hosted by the Cayce police Department. The purpose of this camp is to allow our youth to grow as young people through education and athletics, which will strengthen their minds, and body. The life lesson that will be taught throughout this camp will stay with them forever. The memories will last a lifetime.

The Cayce Police Department Community Services Unit works in a variety of settings to promote safe and healthy behaviors along with promoting overall wellness. During this camp, your child will have an opportunity to hear and new and exciting things that are happening in Cayce and well as things happening around our state and country. Often times during these presentations, individual and group photos and videos are taken to promote our community awareness and education efforts. These photos and videos are posted on our website, e-newsletter, social media pages, and published in our educational resources. We would like your permission to publish photos and/or videos of your child in this learning environment for the sole purpose of our ongoing promotion of substance use prevention education.
